

Education

PhD Nursing: University of Arizona: **2020:**

Transitions from Incarceration to the Rural Community for Adults with Mental Illness
Advisor: Dr. Marylyn McEwen

Doctorate Nursing Practice (DNP): Psychiatric Mental Health (PMHNP): University of Arizona: **2023:**

An Asynchronous Interprofessional Educational Intervention: Mental Health Clinicians and
Probation Officers
Advisor: Dr. Lindsay Bouchard

Post-Graduate Certificate in Nursing Education: Grand Canyon University: **March 2016**

MS in Nursing; Informatics Emphasis: Grand Canyon University: **June 2015**

MS in Public Health: American Military University: **August 2011**

BS in Nursing: Fayetteville State University: **December 2006**

AS in Nursing: Davis & Elkins College: **May 2005**

Research Interests/ Major Fields

Jail to Community Transitions | Mental Health | Health Policy | Rural Health | Interprofessional
Collaboration | Care Coordination | Rural Public Health Policy | Implementation | Strategic Planning

License / Certifications

DEA License Current

Psychiatric Mental Health Nurse Practitioner Board Certification Exp: 2028

Arizona Registered Nurse: Multistate Compact: RN180794 / NP2029

Commission for Case Management (CCM) 2015-2025

Basic Cardiac Life Support (BLS) Exp:2027

Advanced Cardiac Life Support (ACLS) Exp: 2026

Pediatric Advanced Life Support (PALS) Exp: 2026

Fellowships

Fellowship in Health Policy and Media: George Washington University Center for Health Policy and
Media Engagement (CHPME) 2023-2024: Mentor: Dr. Tony Roberson

Leadership Experience

Director: Care, Health and Society Program

2021-present

Assistant Professor of Practice

University of Arizona, College of Social and Behavioral Sciences, School of Sociology, Tucson, AZ

- Provided programmatic leadership for CHS program, developed career advising program

- Developed and maintained community partnerships for experiential learning and research opportunities.

Director/ Local Health Officer: Cochise County Health & Social Services 2016-2020
Cochise County, Bisbee, AZ

- Planned, organized and directed the work of professional, technical and administrative staff engaged in the delivery of public health functions for a health department serving a geographical area of over 6500 square miles while managing an operational budget of over 23 million.
- Planned, organized and directed the work of Public Fiduciary Case Management & Detention Medical Services
- Collaborated with public, community partners at local, state, federal and international levels

Deputy Director, Clinical Services: Cochise County Health & Social Services 2016
Cochise County, Bisbee, AZ

- Director of Nursing, Epidemiology, Public Health Emergency Preparedness
- Responsible for all licensing and regulatory oversight of department
- Appointed as Interim Director after six months

Warrior Advocate & ECHO Case Manager 2014-2015
United HealthCare Military & Veterans:

- Provided complex case management to wounded, ill and injured active duty Service Members
- Provided complex case management for children diagnosed on autism spectrum and with co-occurring medical complexity
- Collaborated with market providers to ensure services were provided within Tricare allowable benefits and in meeting needs of beneficiary

Administrative Officer to Chief Nurse 2013-2014
Southern Arizona Veterans Healthcare Administration, Tucson, AZ

- Served as the single point of contact as a Contracting Officer Representative for nursing services contract for staffing to ensure safe patient staffing levels throughout inpatient operations.
- Reported to chief, nursing officer, carrying out mission and vision of nursing services operations, ensuring programmatic compliance with The Joint Commission in categories of nursing leadership, communication, and human resources.
- Selected, analyzed and presented various forms of data to executive leadership group focused on Centers for Medicaid and Medicare (CMS) outcome measures and patient safety

Commander, Warrior Transition Unit (WTU) 2012-2013
United States Army, Fort Huachuca, AZ

- Provided Command and Control of all case management, primary care, and mental health operations and Soldiers in transition to the Warrior Transition Unit at Fort Huachuca, AZ for Soldiers who had experienced injury or illness while serving in the U.S. Army successfully transitioning over 200 Soldiers to civilian life or back to duty.

Chief, Quality Management Department 2010-2012
United States Army, Fort Huachuca, AZ

- Provided leadership of all quality, risk management, patient safety, regulatory compliance, credentialing, infection control and patient advocacy functions for the military treatment facility (MTF) and outlying clinics.

- Responsible for maintaining facilities system-wide quality program, including data collection, aggregation, and analysis, maintained policies and procedures, identification of high risk, low volume areas, and trends in safety events or near misses.
- Led organizational culture change initiative centered on TeamSTEPPS® structure, developed, trained and implemented team satisfaction process and feedback communication program.

Clinical Practice

Psychiatric Mental Health Nurse Practitioner Jan 2024- current
 Copper Queen Community Hospital
 Bisbee Rural Health Clinic
 Bisbee, Arizona

- Provides care to patients across the lifespan
- Provides services in person and via telehealth

Psychiatric Mental Health Nurse Practitioner 2023-2024
 Pathways Behavioral Health
 Ina Road Location
 Tucson, Arizona

- Provides care to patients across the lifespan on a biopsychosocial model
- Provides services in person and via telehealth

Public Health Nurse 2021
 Raymond W. Bliss Army Health Center
 Fort Huachuca, AZ

- Provided epidemiologic and clinical services to COVID-19 mission (temporary position)
- Conducted safety inspections for childcare facilities
- Conducted disease investigation, treatment and education for all infectious diseases
- Provided policy review and education for military units

Lead Nurse, Patient-Centered Medical Home Research Study 2008-2010
 United States Army Medical Command, Fort Jackson, SC

- Provided oversight of MEDCOM research study on patient-centered medical home
- Conducted data analysis on HEDIS and Army population metrics

Charge Nurse, Emergency Room/ Urgent Care Unit 2006-2008
 United States Army Medical Treatment Facility, Fort Jackson, SC

- Provided assessment, plans, and interventions for acutely injured Soldiers and family members
- Led shift team, conducted field outreach, provided battalion aid station support

Staff Nurse, Emergency Room 2005-2006
 Cape Fear Valley Hospital, Fayetteville, NC

- Provided assessment, planning and nursing interventions in 105 bed Emergency Room
- Part of community response team, conducting field-based emergency care

Research Experience

Senior Research Service Professor 2023-2024

Assistant Professor of Practice 2021-present
School of Sociology, University of Arizona, Tucson, AZ

- Developed undergraduate experiential learning course Jail to Community Transitions
- Developed partnership with community-based non-profit to conduct research
- Provides ongoing mentorship to upper division undergraduate students completing field-based experiential research

Graduate Student: DNP-PMHNP 2021-2023
College of Nursing, University of Arizona, Tucson, AZ

- Conducted series of focus groups with probation and mental health clinicians to inform educational intervention.
- Developed asynchronous educational intervention for mental health clinicians and probation professionals to increase knowledge and skills of jail to community transition.

Graduate Student: PhD-Nursing 2017-2020
College of Nursing, University of Arizona, Tucson, AZ

- Developed study to describe facilitators and inhibitors of the jail to community transition for adults who experience mental illness
- Conducted policy analysis worked on AZ Rural Health Center Team promoting legislation of the Community Health Worker Certification process

Director, Cochise Health & Social Services 2019-2020
Cochise County, Bisbee, AZ

- Developed Intervention Study “Breaking Barriers, Building Success” a 12-week behavioral intervention for individuals transitioning from jail to community
- Project canceled due to COVID

Lead Nurse, Patient-Centered Medical Home Study 2008-2010
MEDCOM, United States Army, Fort Jackson, SC

- Provided day to day oversight of research protocol for ambulatory practice team
- Conducted data analysis, provided data briefing and summary reports to OTSG
- Conducted study start up and close out procedures

Service

Department Level Service

Care, Health & Society Newsletter & Podcast 2022-present
School of Sociology, University of Arizona

- Developed newsletter focused on CHS Major engagement
- Develop content in Podcast and Newsletter relevant to future careers as an allied health professional

Undergraduate Service Committee 2021-2025
School of Sociology, University of Arizona

Executive Committee Member 2022-2025
School of Sociology, University of Arizona

Student Advising / Mentoring:
Undergraduate Students

Dates	Name	Program or School	Description
2024-2025	S.W	College of Social and Behavioral Sciences, Care, Health and Society, UArizona, Honors College	Differences among Ultrasound and Medical Imaging Training from a Gendered Perspective
2024-2025	C.V	College of Social and Behavioral Sciences: Care, Health and Society, UArizona, Honors College	Perceptions of Past High School Competitive Athletes and Mental Health and Wellbeing in Early Adulthood
2024 (Summer)	A.R	College of Social and Behavioral Sciences: Care, Health and Society, UArizona, Honors College	UROC Experience: The relationship between the cycle of incarceration and the houseless population in America
2023-2024	C.H	College of Social and Behavioral Sciences: Care, Health and Society, UArizona, Honors College	The role of AI in shaping healthcare and nursing theory.
2023-2024	G.B	College of Social and Behavioral Sciences: Psychology, Care, Health and Society, UArizona, Honors College	How does music therapy improve anxiety during routine dental procedures?
2022-2023	J.F	College of Science- Psychology/ EMS, UArizona, Honors College	Transitions from Jail: Facilitators and Inhibitors to Healthcare Access
2022-2023	E.C.	Sociology, UArizona, Honors College	Transitions from Jail to Community for Parents: Facilitators and Inhibitors of Child-Parent Connection
2022-2023	C.B	Care, Health and Society UArizona Honors College	Community-Based Pediatric Providers Descriptions on Meeting the Needs of LGBTQ+ Youth in the Ambulatory Setting
2022 (Summer)	M.H	Care, Health and Society, UArizona, Honors College	UROC Experience: School to Prison Pipeline- Secondary Data Analysis and Community Presentation

Graduate Students

Degree Type	Program	No. Of Students	Project Overview
2017-2020: MD Resident Public Health Policy Rotation Preceptor	Canyon Vista Residency Program 2- week rotations each Residents developed white paper around topic of interest	6	Developed public health policy experiences for MD Residents
2019: MPH Practicum Preceptor	George Washington University	1	Developed Community Assessment around Youth Activity and

			Accessibility Options in County
2018: MPH Practicum Preceptor	University of California Berkley	1	Developed Environmental Health Dashboard on Vector Illnesses for County
2017: MSN Practicum Preceptor	Western Governor's University	1	Developed evidenced-based tool for childcare facility trauma informed practice trainings for childcare facility team members

Curricular Development

University of Pennsylvania: Penn Nursing

- 2023-24 Prison Residency Training Program (PRTP)
- Audience: Primary Care FNP / DNP Students
- Developed didactic and case study based curriculum

Course Development

Care Health & Society Program

School of Sociology

University of Arizona, Tucson, AZ

- 2022: Developed CHS 497B Transitions from Incarceration: Experiential Learning Undergraduate Research Course: 15-week in-person, Community-Based Experience
- 2022: Developed CHS 202: Introduction to Helping Professions: 15 week asynchronous format
- 2020: Developed CHS 404 Sociology of Mental Health: Delivered in both 7 and 15-week formats asynchronously
- 2019: Developed CHS 421 Sociology of Drugs: Delivered in both 7 and 15 weeks formats
- Developed CHS 306 Interprofessional Care Collaboration: Delivered in both 7 and 15 week format synchronously and asynchronously

Guest Lectures:

Year	Course No. & Title	Topic	Hours	Class Size
2022- University of Arizona	ANIE Scholars Program: College of Nursing	Resiliency Strategies and Continuing the Practice in Early Professional Practice	3	20
2022- University of Arizona	SOC630: Graduate Seminar	Cultivating Engagement in On-line Learning Space: Developing Courses	2	20
2021- University of Colorado	NURS625B: Military & Veterans Special Interest Group	Transitions to the Civilian Sector for Veterans	2	55
2020: Marine Corps Garrison Commander Course	MCS680: Community and Garrison Operations	Collaborating with Community Entities: Roles, Responsibilities and the Importance of Listening	4	25
